**Green Salad with Egg and Black Truffle**

Serves 4

**Ingredients**

- 3 Hard Boiled Eggs
- 1 Bunch dill
- 1 medium sized lettuce
- 1 large handful of Rocket
- 2 large handfuls of green beans
- 30g black summer truffle

**Creamy Dressing**

- 3 tablespoons crème fraîche
- 3 tablespoons double cream
- 2 tablespoons white wine vinegar
- Cayenne pepper
- 4 tablespoons extra virgin olive oil
- 2 tablespoons of lemon juice

**Preparation Method**

Wash the lettuce and rocket and shake the excess water off. Leave in a collander while preparing the dressing. Top and tail the green beans and then boil them in salted water until tender. Wash beans in cold water, ready to mix in with the lettuce and rocket. The creamy dressing is prepared by mixing all ingredients together with the exception of the cayenne pepper which is added at the end. Place the mixed lettuce, rocket and green beans on a plate. Thinly slice the boiled eggs and scatter over the bed of lettuce with the dill. Finally, shave the truffle evenly over the dish and dress the salad with the creamy dressing; serve immediately.
